**INFORMATION DISCLOSURE STATEMENT**

Dear Sir:

In connection with the above-entitled matter, Applicants enclose a PTO-1449, including copies of some of the references listed therein. Applicants are not submitting copies of the U.S. Patent and Publication references as the Office waived the requirement. These references were cited in the specification and/or a Search Report in a related PCT Application and/or an Official Action of a related U.S. application owned by the common assignee. Where available, English language counterparts and/or abstracts also are provided for Examiner's convenience. The claims in the present application are believed to be patentably distinguished over these references.

This Information Disclosure Statement is being made pursuant to the duty of disclosure imposed by law and formulated in 37 CFR 1.56(A). No representation is made that the information thus disclosed in fact constitute prior art or that it is the closest prior art, inasmuch as 37 CFR 1.56(A) relies on a materiality concept which depends on subjectivity.

In compliance with the requirements of 37 CFR § 1.98(a)(3), as a concise statement of relevance, as it is presently understood by the individual designated in 35 U.S.C. § 1.56(c) most knowledgeable about the content of the information, the undersigned attorney of record submits a copy of the International Search Report and related Official Action by a PCT and/or U.S. Examiner in which the references were cited. The relevance to the pending U.S. patent application is that the references were cited in a PCT and/or a related U.S. patent application on related subject matter. However, no independent analysis of the reference, the accuracy of the statement of U.S. and/or PCT Examiner or the claims of the PCT and/or U.S. application under the laws of the country or the United States relative to the subject matter claimed in the present application has been made; the present understanding of the contents thereof by the undersigned being based on the U.S. or PCT Examiner's comments submitted therewith.

The enclosed Information Disclosure Statement is being submitted prior to issuance of the first action on the merits. Therefore, we believe there are no fees involved with this Information Disclosure Statement. However, in the event there are any fees payable, please charge them to our Deposit Account No. 08-1391.
